

## Airport Departures

The airlines are requesting you be at the airport 2 hours prior for check-in. Therefore, we require you to **be at your hotel pick up point 3 hours in advance for pick up.** The charter busses are picking up at a number of hotels and will not be able to wait for anyone. **For 6:00, 6:10 and 6:30am flight times please be at your pickup spot at 3:00 am**

Federal regulations require that you wear a facemask in airport during the check-in and security screening process, as well as on the plane so please ensure you have one. Masks will not be available from the bus drivers.

\*\*Food and beverages at the airport is currently limited to wraps, sandwiches, muffins, pastries, coffee etc. This is available once you have gone thru the screening process and are in the departures lounge.\*\*

**Note :** If you are staying at an Air B&B or a private residence you will need to arrange own transportation to the airport.
